Case 1:12-cv-00256-LAK Document 412 Filed 02/01/21 Page 2 of 8

I, ROSS D. MURRAY, declare and state as follows:

1. I am employed as a Vice President of Securities by Gilardi & Co. LLC ("Gilardi"), located at 1 McInnis Parkway, Suite 250, San Rafael, California. The following statements are based on my personal knowledge and information provided to me by other Gilardi employees and if called to testify I could and would do so competently.

2. Pursuant to this Court's November 24, 2020 Order Regarding Proposed Settlement Pursuant to Fed. R. Civ. P. 23(e)(1) and Permitting Notice to the Classes ("Notice Order"), Gilardi was appointed to supervise and administer the notice procedure as well as the processing of claims in connection with the proposed Settlement of the Litigation.¹ I oversaw the notice services that Gilardi provided in accordance with the Notice Order.

3. I submit this declaration in order to provide the Court and the parties to the Litigation with information regarding: (i) mailing of the Court-approved Notice of Proposed Settlement of Class Action (the "Notice") and Proof of Claim and Release form (the "Proof of Claim") (collectively, the "Claim Package," attached hereto as Exhibit A); (ii) publication of the Summary Notice of Proposed Settlement of Class Action (the "Summary Notice"); (iii) establishment of the website and toll-free telephone number dedicated to this Settlement; and (iv) the number of requests for exclusion from the Classes received to date by Gilardi.

DISSEMINATION OF THE CLAIM PACKAGE

4. Pursuant to the Notice Order, Gilardi is responsible for disseminating the Claim Package to potential Class Members. There are two classes in this Litigation.

5. "1933 Act Class" means all Persons who purchased or acquired MetLife common stock in the Company's August 3, 2010 Offering at \$42.00 per share or the Company's March 4, 2011 Offering at \$43.25 per share (the "Offerings"). Excluded from the 1933 Act Class are (i) Defendants and their families; (ii) the officers and directors of MetLife at all relevant times; (iii)

¹ All capitalized terms that are not otherwise defined herein shall have the same meanings provided in the Stipulation of Settlement dated June 8, 2020 (the "Stipulation").

Case 1:12-cv-00256-LAK Document 412 Filed 02/01/21 Page 3 of 8

members of their immediate families; (iv) their legal representatives, heirs, successors or assigns; and (v) any entity in which Defendants have or had a controlling interest. Also excluded from the 1933 Act Class is any Member of the Classes that validly and timely requested exclusion in response to the Notice of Pendency of Class Action ("Notice of Pendency") provided in June 2019. For the avoidance of doubt, any "Investment Vehicle" shall not be excluded from the 1933 Act Class.

6. "1934 Act Class" means all Persons or entities who purchased or otherwise acquired MetLife common stock between February 9, 2011, after the publication of MetLife's fourth quarter and full year 2010 results, and October 6, 2011, inclusive, and who were damaged by certain Defendants' alleged violations of the Securities Exchange Act of 1934. Excluded from the 1934 Act Class are: (i) MetLife; (ii) the Individual Defendants; (iii) the Underwriter Defendants; (iv) the members of the immediate families of each Individual Defendant; (v) any entity in which any Defendant has or had a controlling interest; (vi) the officers and directors of MetLife; and (vii) the legal representatives, heirs, successors or assigns of any such excluded party. Also excluded from the 1934 Act Class is any Member of the Classes that validly and timely requested exclusion in response to the Notice of Pendency provided in June 2019. For the avoidance of doubt, any "Investment Vehicle" shall not be excluded from the 1934 Act Class.

7. Gilardi used the previous list of stockholders compiled in connection with dissemination of the Notice of Pendency in 2019 as the basis for the mailing list for the Claim Package, as the Class definitions and Class Period have not changed since the mailing list was compiled for the Notice of Pendency. The list was reviewed to identify and eliminate duplicate entries and incomplete data, resulting in a usable mailing list of 152,965 unique names and addresses. Gilardi had the unique name and address data printed on to Claim Packages, posted the Claim Packages for First-Class Mail, postage prepaid, and delivered 152,965 Claim Packages between December 8, 2020 and December 11, 2020, to the United States Post Office for mailing.

Case 1:12-cv-00256-LAK Document 412 Filed 02/01/21 Page 4 of 8

8. In addition, on December 8, 2020, as part of its normal mailing procedures, Gilardi mailed, by First-Class Mail, Claim Packages and cover letters to 282 brokerages, custodial banks, and other institutions ("Nominee Holders") that hold securities in "street name" as nominees for the benefit of their customers who are the beneficial owners of the securities. The Nominee Holders also include a group of filers/institutions who have requested notification of every securities case. These Nominee Holders are included in a proprietary database created and maintained by Gilardi. In Gilardi's experience, the Nominee Holders included in this proprietary database represent a significant majority of the beneficial holders of securities. The cover letter accompanying the Claim Packages advised the Nominee Holders of the proposed Settlement and requested their cooperation in forwarding the Claim Packages to potential Class Members. In the more than three decades that Gilardi has been providing notice and claims administration services in securities class actions, Gilardi has found the majority of potential class members hold their securities in street name and are notified through the Nominee Holders. Gilardi also mailed Claim Packages and cover letters to the 4,455 institutions included on the U.S. Securities and Exchange Commission's ("SEC") list of active brokers and dealers at the time of mailing. A sample of the cover letter mailed to Nominee Holders and the institutions included on the SEC's list of active brokers and dealers is attached hereto as Exhibit B.

9. On December 8, 2020, Gilardi also delivered electronic copies of the Claim Package to 383 registered electronic filers who are qualified to submit electronic claims. These filers are primarily institutions and third-party filers who typically file numerous claims on behalf of beneficial owners for whom they act as trustees or fiduciaries.

10. As part of the notice program for this Settlement, on December 8, 2020, Gilardi also delivered electronic copies of the Claim Package via email to be published by the Depository Trust Company ("DTC") on the DTC Legal Notice System ("LENS"). LENS enables the participating bank and broker nominees to review the Claim Package and contact Gilardi for copies of the Claim Package for their beneficial holders.

Case 1:12-cv-00256-LAK Document 412 Filed 02/01/21 Page 5 of 8

11. Gilardi has acted as a repository for shareholder and nominee inquiries and communications received in the Litigation. In this regard, Gilardi has forwarded the Claim Package on request to nominees who purchased or acquired MetLife common stock for the beneficial interest of other persons. Gilardi has also forwarded the Claim Package directly to beneficial owners upon receipt of the names and addresses from such beneficial owners or nominees.

12. Following the initial mailing, Gilardi received 19 responses to the outreach efforts described above which included computer files containing a total of 37,277 names and addresses of potential Class Members. Gilardi has also received three responses that included mailing labels with the names and addresses of 143 additional potential Class Members. In addition, 22 institutions requested that Gilardi send them a total of 238,685 Claim Packages for forwarding directly to their clients. Gilardi has also mailed 545 Claim Packages as a result of returned mail for which new addresses were identified for re-mailing to those potential Class Members. Each of these requests has been completed in a timely manner.

13. As of January 28, 2021, Gilardi has mailed a total of 434,735 Claim Packages to potential Class Members and nominees.

PUBLICATION OF THE SUMMARY NOTICE

14. In accordance with the Notice Order, on December 14, 2020, Gilardi caused the Summary Notice to be published in *The Wall Street Journal* and transmitted over *Business Wire*, as shown in the confirmations of publication attached hereto as Exhibit C.

TELEPHONE HELPLINE AND WEBSITE

15. On July 22, 2019, in conjunction with the mailing of the Notice of Pendency, Gilardi established and continues to maintain a case-specific, toll-free telephone helpline, 1-888-300-1049, to accommodate potential Class Member inquiries. The toll-free number was set forth in the Notice and on the case website. Gilardi has been and will continue to promptly respond to all inquiries to the toll-free telephone helpline.

Case 1:12-cv-00256-LAK Document 412 Filed 02/01/21 Page 6 of 8

16. On July 22, 2019, in conjunction with the mailing of the Notice of Pendency, Gilardi established and continues to maintain a website dedicated to this Settlement (www.MetLifeSecuritiesLitigation.com) to provide additional information to Class Members and to provide answers to frequently asked questions. The web address was set forth in the Claim Package and the Summary Notice. The website includes information regarding the Litigation and the Settlement, including the exclusion, objection, and claim filing deadlines, and the date, time, and location of the Court's Settlement Hearing. Copies of the Notice, Proof of Claim, Stipulation, and Notice Order are posted on the website and are available for downloading. Class Members can also complete and submit a Proof of Claim through the website.

REQUESTS FOR EXCLUSION RECEIVED TO DATE

17. The Notice of Pendency informed potential Class Members that written requests for exclusion from the Classes were to be mailed to *MetLife Securities Litigation*, Notice Administrator, c/o Gilardi & Co. LLC, P.O. Box 404152, Louisville, KY 40233-4152, such that they were postmarked no later than September 16, 2019.

18. The Notice of Pendency also set forth the information that must be included in each request for exclusion. As noted in the Declaration of Mishka Ferguson Regarding Notice Dissemination, Publication, and Requests for Exclusion Received to Date, dated November 14, 2019, Gilardi did not receive any requests for exclusion. No Class Members have attempted to exclude themselves from the Classes in response to the Notice provided pursuant to the Notice Order.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed this 28th day of January, 2021, at San Rafael, California.

SUMMARY OF THIS NOTICE

Description of the Litigation and the Classes

This Notice relates to a proposed settlement of claims in a pending securities class action brought by MetLife investors alleging, among other things, that Defendants violated the federal securities laws by making materially false and misleading statements or omitting facts necessary to make statements not misleading in public filings and other public statements. A more detailed description of the Litigation is set forth on pages 3-4 below. The proposed Settlement, if approved by the Court, will settle claims of the Classes, as defined on page 4 below.

Statement of Class Recovery

Pursuant to the Settlement described herein, an \$84,000,000.00 settlement fund has been established (the "Settlement Amount"). The Settlement Amount together with any interest earned thereon is the "Settlement Fund." The Settlement Fund, less (a) any taxes, (b) any Notice and Administration Expenses, and (c) any attorneys' fees and litigation costs, charges and expenses (including any award to Lead Plaintiff of its costs and expenses in representing the Classes) awarded by the Court, will be distributed to Members of the Classes in accordance with a plan of allocation that is approved by the Court. The proposed plan of allocation (the "Plan of Allocation") is set forth on pages 5-8 below. Based on Lead Plaintiff's estimate of the number of shares of MetLife common stock eligible to recover, the average distribution under the Plan of Allocation is roughly \$0.26 per common share, before deduction of any taxes on the income earned on the Settlement Fund, Notice and Administration Expenses, and allowable attorneys' fees and expenses (including any award to Lead Plaintiff) as determined by the Court. **Members of the Classes should note, however, that these are only estimates.** A Member of the Classes' actual recovery will be a proportion of the Net Settlement Fund determined by that claims as compared to the total claims of all Members of the Classes who submit acceptable Proofs of Claim and Release. An individual Member of the Classes may receive more or less than these estimated average amounts. *See* Plan of Allocation set forth and discussed at pages 5-8 below for more information on the calculation of your claim.

Statement of Potential Outcome of Case

The Settling Parties disagree on both liability and damages and do not agree on the amount of damages per share, if any, that would be recoverable if the Classes prevailed on each claim alleged. Defendants deny that they are liable to the Classes and deny that the Classes have suffered any injury or damages. The issues on which the parties disagree are many, but include: (1) whether Defendants engaged in conduct that would give rise to any liability to the Classes under the federal securities laws; (2) whether Defendants have valid defenses to any such claims of liability; (3) the appropriate economic model for determining the amount by which the price of MetLife common stock was allegedly artificially inflated (if at all) during the relevant periods; (4) the amount, if any, by which the price of MetLife common stock was allegedly artificially inflated (if at all) during the relevant periods; (5) the effect of various market forces on the price of MetLife common stock at various times during the relevant periods; (6) the extent to which external factors influenced the price of MetLife common stock at various times during the relevant periods; (7) the extent to which the various matters that Lead Plaintiff alleged were materially false or misleading influenced (if at all) the price of MetLife common stock at various times during the relevant periods; (7) the extent to which the various matters that Lead Plaintiff alleged were materially false or misleading influenced (if at all) the price of MetLife common stock at various times during the relevant periods; (7) the extent to which the various matters that Lead Plaintiff alleged were omitted influenced (if at all) the price of MetLife common stock during the relevant periods; and (8) the extent to which the various allegedly adverse material facts that Lead Plaintiff alleged were omitted influenced (if at all) the price of MetLife common stock during the relevant periods.

Statement of Attorneys' Fees and Expenses Sought

Lead Counsel will apply to the Court on behalf of all Lead Plaintiff's Counsel for an award of attorneys' fees not to exceed twenty-five percent (25%) of the Settlement Amount, plus costs, charges and expenses not to exceed \$2,500,000.00, including an award to Lead Plaintiff pursuant to 15 U.S.C. §77z-1(a)(4) or 15 U.S.C. §78u-4(a)(4) in connection with its representation of the Classes, plus interest earned on both amounts at the same rate as earned by the

Case 1:12-cv-00256-LAK Document 412-2 Filed 02/01/21 Page 4 of 19

Settlement Fund. Since the Litigation's inception, Lead Counsel has expended considerable time and effort in the prosecution of this Litigation on a wholly contingent basis and has advanced the expenses of the Litigation in the expectation that if it was successful in obtaining a recovery for the Classes it would be paid from such recovery. The requested fee is the result of a negotiation between Lead Counsel and Lead Plaintiff that was designed to align the interests of Lead Counsel and the Classes in maximizing the net recovery for the Classes. As part of the final approval submission, Lead Counsel intends to demonstrate that the requested fee reflects the significant risks undertaken and effort expended by Lead Counsel in prosecuting the Litigation, as well as the result achieved for the Classes. Lead Counsel intends to provide the Court with evidence establishing that the requested fee is fair and reasonable based upon, among other things: (i) the effort expended by counsel; (ii) the risks undertaken by counsel; (iii) the contingent nature of counsel's representation; (iv) the risks of establishing causation and damages; (vi) the magnitude and complexity of the Litigation; (vii) the quality of the representation; (viii) public policy considerations; and (ix) the Classes' reaction to the fee request. The requested attorneys' fees, costs, charges and expenses amount to an average cost of approximately \$0.07 per allegedly damaged MetLife common share. The average cost per damaged share will vary depending on the number of acceptable Proofs of Claim and Release submitted.

Please Do Not Call the Court or Defendants with Questions About the Settlement.

Reasons for the Settlement

Lead Plaintiff's principal reason for entering into the Settlement is the benefit to the Classes now, without further risk or the delays inherent in continued litigation. The cash benefit under the Settlement must be considered against the significant risk that a smaller recovery – or, indeed, no recovery at all – might be achieved after trial, and likely appeals, a process that could last several years into the future.

Defendants have denied and continue to deny each and all of the claims alleged by Lead Plaintiff in the Litigation. Defendants expressly have denied and continue to deny all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Litigation. Defendants also have denied and continue to deny, among other things, the allegations that Lead Plaintiff or the Classes have suffered any damage, or that Lead Plaintiff or the Classes were harmed by the conduct alleged in the Litigation. For Defendants, the principal reason for entering into the Settlement is to eliminate the uncertainty, risk, costs, and burdens inherent in any litigation, especially in complex cases such as this Litigation. Defendants have concluded that further conduct of this Litigation could be expensive, protracted, and distracting.

WHAT IS THIS LAWSUIT ABOUT?

THE ALLEGATIONS

The Litigation is currently pending before the Honorable Lewis A. Kaplan in the United States District Court for the Southern District of New York (the "Court"). The initial complaint in this Litigation was filed on January 12, 2012. On March 29, 2012, the Court appointed Central States as Lead Plaintiff and Robbins Geller Rudman & Dowd LLP ("Robbins Geller") as Lead Counsel.

Lead Plaintiff's complaint alleges that Defendants variously violated §§11, 12(a)(2) and 15 of the Securities Act of 1933 (the "1933 Act") and/or §§10(b) and 20(a) of the Securities Exchange Act of 1934 (the "1934 Act"). The alleged violations of the 1933 Act are brought against MetLife, certain of MetLife's current and former officers and directors, and certain of the underwriters involved in the two Offerings of MetLife stock. The alleged violations of the 1934 Act are brought against MetLife stock. The alleged violations of the 1934 Act are brought against MetLife's current and directors.

Lead Plaintiff alleges that Defendants violated the 1933 Act and/or the 1934 Act by publicly issuing materially false statements and omitting material information concerning the Company's financial condition. Specifically, Lead Plaintiff alleges that the Company misrepresented the adequacy of its Incurred But Not Reported ("IBNR") reserves to meet policyholder obligations. Lead Plaintiff alleges that the Company had access to and used the Social Security Administration Death Master File ("SSA-DMF"), a database maintained by the Social Security Administration that contains a list of deaths that have been reported to that agency, and that the Company knew but failed to disclose that its methodology for calculating IBNR reserves failed to account for money owed to policyholder beneficiaries or states under relevant state escheatment laws because it knew or had credible information that insured individuals had died. Lead Plaintiff alleges that by failing to account for known liabilities, the Company's public financial statements materially overstated reported income and understated reported expenses. Lead Plaintiff also alleges that Defendants failed to adequately disclose ongoing regulatory investigations into MetLife's abandoned property practices, including its use, or non-use of the SSA-DMF. Lead Plaintiff

Case 1:12-cv-00256-LAK Document 412-2 Filed 02/01/21 Page 5 of 19

alleges that when the true facts concerning the nature, scope and financial impact of these alleged misrepresentations and omissions were revealed, the Company's stock price declined and Members of the Classes suffered damages.

Defendants deny Lead Plaintiff's allegations. They contend that they did not make any false or misleading statements and that they disclosed all information required to be disclosed by the federal securities laws. Defendants also contend that any decline in the MetLife stock price was due to reasons other than the disclosures related to the alleged false or misleading statements, and that they have other valid defenses to Lead Plaintiff's claims.

THE COURT HAS NOT RULED AS TO WHETHER DEFENDANTS ARE LIABLE TO LEAD PLAINTIFF OR TO THE CLASSES. THIS NOTICE IS NOT INTENDED TO BE AN EXPRESSION OF ANY OPINION BY THE COURT WITH RESPECT TO THE TRUTH OF THE ALLEGATIONS IN THIS LITIGATION, THE MERITS OF THE CLAIMS OR DEFENSES ASSERTED OR THE FAIRNESS OF THE SETTLEMENT. THIS NOTICE IS SOLELY TO ADVISE YOU OF THE PROPOSED SETTLEMENT OF THIS LITIGATION AND YOUR RIGHTS IN CONNECTION WITH THAT SETTLEMENT.

PROCEDURAL HISTORY

The Settling Parties vigorously litigated this case for nearly eight years. They briefed and argued multiple rounds of motions to dismiss the Classes' claims, and following rulings on the motions to dismiss, the Settling Parties engaged in extensive fact and class-related discovery which included the exchange of hundreds of thousands of pages of documents and the taking of 13 depositions. The Court certified the 1933 Act Class on September 22, 2017, and on January 7, 2019, the Court entered the Settling Parties' Stipulation and Order for Class Certification and certified the 1934 Act Class. After the close of discovery in late 2018, the Settling Parties briefed three motions for summary judgment and motions to exclude expert testimony. The Court had not yet ruled on those motions on the merits when the Settling Parties reached an agreement in principle to resolve the Litigation.

The Settling Parties also participated in multiple in-person mediation sessions as well as numerous telephonic conferences over several years with the Honorable Layn R. Phillips (Ret.), a retired United States District Court Judge and an experienced mediator. The Settling Parties engaged in good-faith, arm's-length negotiations during the earlier mediation sessions, but were unable to reach an agreement. The Settling Parties pursued pre-trial motion practice while settlement discussions continued through Judge Phillips. On March 12, 2020, the Settling Parties reached an agreement in principle to resolve the Litigation, subject to the negotiation of the terms of a Stipulation of Settlement and approval by the Court.

HOW DO I KNOW IF I AM A MEMBER OF ONE OR BOTH OF THE CLASSES?

If you purchased or acquired MetLife common stock in the Company's August 3, 2010 Offering at \$42.00 per share or the Company's March 4, 2011 Offering at \$43.25 per share (the "Offerings"), you are a member of the 1933 Act Class. Excluded from the 1933 Act Class are (i) Defendants and their families; (ii) the officers and directors of MetLife at all relevant times; (iii) members of their immediate families; (iv) their legal representatives, heirs, successors or assigns; and (v) any entity in which Defendants have or had a controlling interest. For the avoidance of doubt, any "Investment Vehicle" shall not be excluded from the 1933 Act Class.²

If you purchased or otherwise acquired MetLife common stock between February 9, 2011, after the publication of MetLife's fourth quarter and full year 2010 results, and October 6, 2011, inclusive (the "1934 Class Period"), and were damaged by certain Defendants' alleged violations of the 1934 Act, you are a member of the 1934 Act Class. Excluded from the 1934 Act Class are (i) MetLife; (ii) the Individual Defendants; (iii) the Underwriter Defendants; (iv) the members of the immediate families of each Individual Defendant; (v) any entity in which any Defendant has or had a controlling interest; (vi) the officers and directors of MetLife; and (vii) the legal representatives, heirs, successors or assigns of any such excluded party. For the avoidance of doubt, any "Investment Vehicle" shall not be excluded from the 1934 Act Class.

Also excluded from the Classes is any Member of the Classes who timely and validly requested exclusion in accordance with the requirements set by the Court in connection with the Notice of Pendency of Class Action previously provided to the Classes.

PLEASE NOTE: Receipt of this Notice does not mean that you are a Member of one or both of the Classes or that you will be entitled to receive a payment from the Settlement. If you are a Member of one or both of the Classes and you wish to be eligible to participate in the distribution of proceeds from the Settlement, you are required to submit the Proof of Claim and Release that is being distributed with this Notice and the required supporting documentation as set forth therein postmarked or submitted online on or before February 26, 2021.

² "Investment Vehicle" means any investment company or pooled investment fund, including, but not limited to, mutual fund families, exchange traded funds, fund of funds and hedge funds, in which Defendants, or any of them, have, has or may have a direct or indirect interest, or as to which its affiliates may act as an investment adviser, but in which any Defendant alone or together with its, his or her respective affiliates is not a majority owner or does not hold a majority beneficial interest.

WHAT IS THE MONETARY VALUE OF THE PROPOSED SETTLEMENT?

The Settlement, if approved, will result in the creation of a cash settlement fund of \$84,000,000.00. This fund, plus accrued interest and minus the costs of this Notice and all costs associated with the administration of the Settlement, as well as attorneys' fees and expenses, and the payment of Lead Plaintiff's costs and expenses in representing the Classes, as approved by the Court (the "Net Settlement Fund"), will be distributed to eligible Members of the Classes pursuant to the Plan of Allocation that is described in the next section of this Notice.

WHAT IS THE PROPOSED PLAN OF ALLOCATION?

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Members of the Classes based on their respective alleged economic losses resulting from the securities law violations alleged in the Litigation.

The Claims Administrator shall determine each Member of the Classes' share of the Net Settlement Fund based upon the recognized loss formula (the "Recognized Loss") described below. A Recognized Loss will be calculated for each share of MetLife common stock purchased or otherwise acquired in the Offerings or during the 1934 Act Class Period. The calculation of a Recognized Loss will depend upon several factors, including when the MetLife common stock was purchased or otherwise acquired and in what amounts, whether they were ever sold, and, if so, when they were sold and for what amounts. The Recognized Loss is not intended to estimate the amount a Member of the Classes might have been able to recover after a trial, nor to estimate the amount that will be paid to a Member of the Classes pursuant to the Settlement. The Recognized Loss is the basis upon which the Net Settlement Fund will be proportionately allocated to Members of the Classes.

Your share of the Net Settlement Fund will depend on the number of valid Proofs of Claim and Release that Members of the Classes send in and how many shares of MetLife common stock you purchased or otherwise acquired in the Offerings or during the 1934 Act Class Period, and whether you sold any of those shares and when you sold them.

The calculation of claims below is not an estimate of the amount you will receive. It is a formula for allocating the Net Settlement Fund among all Authorized Claimants. Furthermore, if any of the formulas set forth below yield an amount less than \$0.00, the claim per share is \$0.00.

In the event a Member of the Classes has more than one purchase or acquisition or sale of MetLife common stock in the Offerings or during the 1934 Act Class Period, all such purchases and sales shall be matched on a First-In, First-Out ("FIFO") basis. Sales will be matched against purchases in chronological order, beginning with the earliest purchase made.

If a matched purchase and sale reflects a market gain, the recognized claim for the specific shares involved in the transaction will be \$0.00. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its recognized claim as compared to the total recognized claims of all Authorized Claimants. No distribution shall be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

1. For each purchase or acquisition of MetLife common stock that is properly documented, a "Recognized Loss Amount" will be calculated according to the formulas described below. Such "Recognized Loss Amounts" will be aggregated across all purchases to determine the "Recognized Claim" for each Member of the Classes. To the extent a Member of the Classes has a Recognized Loss Amount under the 1934 Act and the 1933 Act resulting from the same purchase or acquisition of MetLife common stock, the Recognized Loss Amount will be the greater of the 1934 Act Recognized Loss Amount and the 1933 Act Recognized Loss Amount.

2. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Member of the Classes might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

1934 ACT CLAIMS RECOGNIZED LOSS AMOUNTS

3. For the 1934 Act claims, the Plan of Allocation was developed based on the alleged inflation per share shown below, as well as the statutory 90-day look-back amount of \$31.75.³ A 1934 Act Recognized Loss Amount is calculated for each Member of the Classes who purchased MetLife common stock during the 1934 Act Class Period based on when that claimant purchased and sold shares, or retained shares beyond the end of the 1934 Act Class Period.

³ Under §21(D)(e)(1) of the 1934 Act, "in any private action arising under this Act in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." As set forth herein, 1934 Act Recognized Loss Amounts for MetLife common stock are reduced to an appropriate extent by taking into account the closing prices of MetLife common stock during the 90-day look-back period. The mean (average) closing price for MetLife common stock during this 90-day look-back period was \$31.75 per share as shown in Table-1.

Case 1:12-cv-00256-LAK Document 412-2 Filed 02/01/21 Page 7 of 19

4. Based on the formulas presented below, a "1934 Act Recognized Loss Amount" will be calculated for each purchase or acquisition of MetLife common stock during the 1934 Act Class Period that is listed on the Proof of Claim and Release form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, that Recognized Loss Amount will be zero.

Alleged Inflation Period	Alleged Inflation per Share
February 9, 2011 – October 6, 2011	\$0.69

5. For shares of MetLife common stock purchased or acquired on or between February 9, 2011 through and including October 6, 2011, the claim per share shall be as follows:

a) If sold prior to October 7, 2011, the claim per share is \$0.00.

b) If retained at the end of October 6, 2011 and sold on or before January 4, 2012, the claim per share shall be the least of: (i) the alleged inflation per share at the time of purchase; (ii) the difference between the purchase price and the selling price; and (iii) the difference between the purchase price and the average closing price up to the date of sale as set forth in the table below.

c) If retained at the close of trading on January 4, 2012 or sold thereafter, the claim per share shall be the lesser of: (i) the alleged inflation per share at the time of purchase; and (ii) the difference between the purchase price and \$31.75.

1933 ACT CLAIMS RECOGNIZED LOSS AMOUNTS

6. 1933 Act claims were asserted with respect to MetLife common stock purchased or otherwise acquired in the Offerings. The 1933 Act claims asserted in the action serve as the basis for the calculation of 1933 Act Recognized Loss Amounts. For purposes of the calculations, January 12, 2012 is the date of suit, and is the proxy for the date of judgment.

7. Based on the formulas stated below, a "1933 Act Recognized Loss Amount" will be calculated for each purchase/acquisition of MetLife common stock in the Offerings. If a 1933 Act Recognized Loss Amount calculates to a negative number or zero under the formula below, that number will be zero.

8. A 1933 Act Recognized Loss Amount will be calculated as set forth below for each purchase or other acquisition of a security pursuant to the Offerings. The calculation of a 1933 Act Recognized Loss Amount will depend upon several factors, including: (i) which security was purchased or otherwise acquired, and in what amounts; (ii) when the security was purchased or otherwise acquired; and (iii) whether the security was sold, and if so, when they were sold, and for what amounts. The "value" of a security on the date on which a complaint was first filed alleging claims under §11 of the 1933 Act is relevant for purposes of calculating damages for securities still held as of that date. Thus, "value" is measured by the closing price on January 12, 2012, which is the date the complaint was filed. Consequently, in order to fairly allocate the Net Settlement Fund, for the securities that are the subject of claims under §11, the January 12, 2012 closing price shall be utilized in measuring the "value" of the securities.

3) retained at the close of trading on January 12, 2012, the claim per share is \$0.69.

A Member of the Classes will be eligible to receive a distribution from the Net Settlement Fund only if the Member of the Classes had a net overall loss, after all profits from transactions in all MetLife common stock described above during the Class Period are subtracted from all losses. However, the proceeds from sales of MetLife common stock that have been matched against MetLife common stock held at the beginning of the Class Period will not be used in the calculation of such net loss.

A purchase, acquisition or sale of MetLife common stock shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. All purchase, acquisition and sale prices shall exclude any fees and commissions. The receipt or grant by gift, devise, or operation of law of MetLife common stock shall not be deemed a purchase, acquisition or sale of MetLife common stock for the calculation of a claimant's Recognized Claim nor shall it be deemed an assignment of any claim relating to the purchase or acquisition of such shares unless specifically provided in the instrument of gift or assignment.

Distributions will be made to Authorized Claimants after all claims have been processed, after the Court has finally approved the Settlement, and after any appeals are resolved. If there is any balance remaining in the Net Settlement Fund after at least six (6) months from the initial date of distribution of the Net Settlement Fund (whether by reason of tax refunds,

uncashed checks, or otherwise), the Claims Administrator shall, if feasible, reallocate such balance among Authorized Claimants in an equitable and economic fashion. These redistributions shall be repeated until the balance remaining in the Net Settlement Fund is no longer economically feasible to distribute to Members of the Classes. Thereafter, any balance that still remains in the Net Settlement Fund shall be donated to any appropriate non-profit charitable organization(s) unaffiliated with any party or their counsel serving the public interest.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim and Release. If you are dissatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Members of the Classes and the claims administration process, to decide the issue by submitting a written request.

The Court has retained jurisdiction to allow, disallow, or adjust the claim of any Member of the Classes on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. No Person shall have any claim against Lead Plaintiff, Lead Counsel, any Claims Administrator, any other Person designated by Lead Plaintiff's Counsel, or any of the Released Persons based on the distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. All Members of the Classes who fail to complete and submit a valid and timely Proof of Claim and Release shall be barred from participating in distributions from the Net Settlement Fund (unless otherwise ordered by the Court), but otherwise shall be bound by all of the terms of the Settlement, including the terms of any judgment entered and the releases given.

DO I NEED TO CONTACT LEAD COUNSEL IN ORDER TO PARTICIPATE IN DISTRIBUTION OF THE SETTLEMENT FUND?

No. If you have received this Notice and timely submit your Proof of Claim and Release to the designated address, you need not contact Lead Counsel. If your address changes, please contact the Claims Administrator at:

MetLife Securities Litigation Claims Administrator c/o Gilardi & Co. LLC P.O. Box 43310 Providence, RI 02940-3310 Telephone: 1-888-300-1049 www.MetLifeSecuritiesLitigation.com

THERE WILL BE NO PAYMENTS IF THE STIPULATION IS TERMINATED

The Stipulation may be terminated under several circumstances outlined in it. If the Stipulation is terminated, the Litigation will proceed as if the Stipulation had not been entered into.

WHAT ARE THE REASONS FOR SETTLEMENT?

The Settlement was reached after contested motion practice directed to the sufficiency of Lead Plaintiff's claims. The parties also completed document, deposition, and expert discovery. Nevertheless, the Court has not reached any final decisions in connection with Lead Plaintiff's claims against Defendants. Instead, Lead Plaintiff and Defendants have agreed to this Settlement, which was reached with the substantial assistance of a highly respected mediator. In reaching the Settlement, the parties have avoided the cost, delay and uncertainty of further litigation.

As in any litigation, Lead Plaintiff and the Classes would face an uncertain outcome if they did not agree to the Settlement. If Lead Plaintiff succeeded at the upcoming trial, Defendants would likely file appeals that would postpone final resolution of the case. Continuation of the Litigation against Defendants could result in a judgment greater than this Settlement. Conversely, continuing the case could result in no recovery at all or a recovery that is less than the amount of the Settlement.

Lead Plaintiff and Lead Counsel believe that this Settlement is fair and reasonable to the Members of the Classes. They have reached this conclusion for several reasons. Specifically, if the Settlement is approved, the Classes will receive a certain and immediate monetary recovery. Additionally, Lead Counsel believes that the significant and immediate benefits of the Settlement, when weighed against the significant risk, delay and uncertainty of continued litigation, are a very favorable result for the Classes.

Defendants are entering into this Settlement because it would be beneficial to avoid the burden, inconvenience, and expense associated with continuing the Litigation, and the uncertainty and risks inherent in any litigation. Defendants have determined that it is desirable and beneficial to them that the Litigation be settled in the manner and upon the terms and conditions set forth in the Stipulation.

WHO REPRESENTS THE CLASSES?

The following attorneys are counsel for the Classes:

Shawn A. Williams ROBBINS GELLER RUDMAN & DOWD LLP Post Montgomery Center One Montgomery Street, Suite 1800 San Francisco, CA 94104 Telephone: 415/288-4545 415/288-4534 (fax)

HOW WILL THE LEAD PLAINTIFF'S LAWYERS BE PAID?

Lead Counsel will file a motion for an award of attorneys' fees and expenses that will be considered at the Settlement Fairness Hearing. Lead Counsel will apply for an attorneys' fee award for Lead Plaintiff's Counsel in the amount of up to 25% of the Settlement Fund, plus payment of Lead Plaintiff's Counsel's costs, charges and expenses incurred in connection with this Litigation in an amount not to exceed \$2,500,000.00, which may include an award to Lead Plaintiff pursuant to 15 U.S.C. §77z-1(a)(4) or 15 U.S.C. §78u-4(a)(4) in connection with its representation of the Classes. Such sums as may be approved by the Court will be paid from the Settlement Fund. Members of the Classes are not personally liable for any such fees or expenses.

The attorneys' fees and costs, charges and expenses requested will be the only payment to Lead Plaintiff's Counsel for their efforts in achieving this outstanding Settlement and for their risk in undertaking this representation for over eight years on a wholly contingent basis. The fees requested will compensate Lead Plaintiff's Counsel for their work in achieving the Settlement. The Court will decide what constitutes a reasonable fee award and may award less than the amount requested by Lead Counsel.

CAN I EXCLUDE MYSELF FROM THE SETTLEMENT?

No. If you did not exclude yourself from the Classes in connection with the Notice of Pendency of Class Action, you remain a Member of the Classes.

CAN I OBJECT TO THE SETTLEMENT, THE REQUESTED ATTORNEYS' FEES, THE REQUESTED PAYMENT OF COSTS AND EXPENSES AND/OR THE PLAN OF ALLOCATION?

Yes. If you are a Member of the Classes, you may object to the terms of the Settlement. Whether or not you object to the terms of the Settlement, you may also object to the requested attorneys' fees, costs, charges and expenses, Lead Plaintiff's request for an award for representing the Classes and/or the Plan of Allocation. In order for any objection to be considered, you must file a written statement, accompanied by proof of Class membership, with the Court and send a copy to Lead Counsel and MetLife's counsel, at the addresses listed below **by February 26, 2021**. WHAT ARE MY RIGHTS AND OBLIGATIONS UNDER THE SETTLEMENT?

If you are a Member of the Classes and you did not exclude yourself from the Classes, you may receive the benefit of, and you will be bound by, the terms of the Settlement described in this Notice, upon approval by the Court.

HOW CAN I GET A PAYMENT?

In order to qualify for a payment, you must timely complete and return the Proof of Claim and Release that accompanies this Notice. A Proof of Claim and Release is enclosed with this Notice and also may be downloaded at www.MetLifeSecuritiesLitigation.com. Read the instructions carefully; fill out the Proof of Claim and Release; sign it; and mail or submit it online so that it is **postmarked (if mailed) or received (if submitted online) no later than February 26, 2021**. The Proof of Claim and Release may be submitted online at www.MetLifeSecuritiesLitigation.com. If you do not submit a timely Proof of Claim and Release with all of the required information, you will not receive a payment from the Settlement Fund; however, unless you expressly excluded yourself from the Classes as described above, you will still be bound in all other respects by the Settlement, the Judgment, and the release contained in them.

WHAT CLAIMS WILL BE RELEASED BY THE SETTLEMENT?

If the Settlement is approved by the Court, the Court will enter a Judgment. If the Judgment becomes final pursuant to the terms of the Stipulation, all Members of the Classes shall be deemed to have, and by operation of the Final Judgment shall have, fully, finally, and forever released, relinquished, and discharged any and all of the Released Persons from all Released Claims.

- "Released Claims" means any and all claims and causes of action of every nature and description, whether known or unknown, whether arising under federal, state, common or foreign law, whether class or individual in nature, that the Lead Plaintiff or any Member of the Classes asserted or could have asserted in the Litigation, which arise out of, are based upon, or relate in any way, directly or indirectly to both (a) the purchase, acquisition, transfer, holding, ownership, disposition or sale of MetLife common stock purchased or otherwise acquired in the Offerings or during the 1934 Act Class Period, by any Member of the Classes, and (b) any disclosures, public filings, registration statements, or other statements by any Defendant or their respective Related Parties that relate in any way, directly or indirectly, to any facts, matters, allegations, transactions, events, occurrences, representations, disclosures, statements, acts or omissions set forth, alleged or could have been alleged by Lead Plaintiff or any Member of the Classes in the Litigation. "Released Claims" does not include claims to enforce the Settlement, or any derivative or ERISA claims. The Settling Parties acknowledge, and the Members of the Classes shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and is a key element of the Settlement of which this release is a part.

Use Part I of this form entitled "Claimant Identification" to identify each purchaser or acquirer of record ("nominee"), if different from the beneficial purchaser or acquirer of the MetLife common stock which forms the basis of this claim. THIS CLAIM MUST BE FILED BY THE ACTUAL BENEFICIAL PURCHASER(S) OR ACQUIRER(S) OR THE LEGAL REPRESENTATIVE OF SUCH PURCHASER(S) OR ACQUIRER(S) OF THE METLIFE COMMON STOCK UPON WHICH THIS CLAIM IS BASED.

All joint purchasers or acquirers must sign this claim. If you are acting in a representative capacity on behalf of a Member of the Classes (for example, as an executor, administrator, trustee, or other representative), you must submit evidence of your current authority to act on behalf of that Member of the Classes. Such evidence would include, for example, letters testamentary, letters of administration, or a copy of the trust documents.

Use Part II of this form "Schedule of Transactions in MetLife Common Stock," to supply all required details of your transaction(s) in MetLife common stock. If you need more space or additional schedules, attach separate sheets giving all of the required information in substantially the same form. Sign and print or type your name on each additional sheet.

On the schedules, provide all of the requested information with respect to **all** of your purchases and acquisitions and **all** of your sales of MetLife common stock in the Offerings and/or between August 3, 2010 and January 12, 2012, inclusive, whether such transactions resulted in a profit or a loss. You must also provide all of the requested information with respect to **all** of the shares of MetLife common stock you held at the close of trading on August 2, 2010, October 6, 2011, and January 12, 2012. Failure to report all such transactions may result in the rejection of your claim.

List these transactions separately and in chronological order, by trade date, beginning with the earliest. You must accurately provide the month, day and year of each transaction you list.

For short-sale transactions, the date of covering a "short sale" is deemed to be the date of purchase of MetLife common stock, and the date of a "short sale" is deemed to be the date of sale of MetLife common stock.

CNN Soars as Boss's Fate Is Uncertain

Cable network holds leads in key ratings categories amid Zucker contract talks

BY BENJAMIN MULLIN

CNN is riding a ratings high in the aftermath of the election. Whether the network boss who oversaw those gains will stick around is an open question.

CNN averaged more totalday viewers than Fox News since Election Day through Dec. 8, a 35 day span, the first time it has won such a long stretch in that category in 19 vears. CNN also bested the competition over that period among viewers ages 25 to 54, a demographic advertisers target on news channels. Fox News retained the No. 1 spot in total prime-time ratings.

As CNN tries to maintain momentum, network parent WarnerMedia, a unit of AT&T Inc., is in talks with CNN President Jeff Zucker on whether to renew his contract, with those discussions expected to heat up in coming weeks, people close to the situation say. Mr. Zucker had signaled to associates internally that he wasn't sure whether he

wanted to stay on, and would weigh his options after the election.

The contract negotiations are happening at the same time CNN has become a target of takeover interest in the private-equity world. Recently, Mr. Zucker was made aware of investor interest in taking the network private, according to people familiar with the matter. One scenario floated was a management buyout that would see Mr. Zucker lead the network under new ownership, some of the people said. Mr. Zucker has indicated that would-be suitors should contact AT&T.

WarnerMedia Chief Executive Jason Kilar said at a recent company town hall that CNN wasn't for sale. People close to Mr. Kilar say he is hopeful Mr. Zucker will stay with the company.

Cable-news viewership has declined across the board from the peaks networks reached during the week of the election. CNN scored the biggest gains in key categories during the run-up to the election and its immediate aftermath, and has retained enough of that audience to vault ahead of longtime leader Fox News in key categories.

Since the election through

CNN scored the biggest viewership gains during the run-up to the election and its immediate aftermath.

Dec. 8, CNN averaged about 1.7 million viewers for the total day, compared with roughly 1.56 million for Fox News. CNN was also first in prime-time among viewers 25 to 54, averaging about 818,000, but Fox News was tops in total primetime viewers.

Like its competitors in the cable news sector, Fox News is on track to deliver its highestrated year ever. For the full year, Fox News is pacing toward first place among cable news networks in several key ratings categories, including total day viewership, primetime viewership and primetime viewership in the key

news demographic. Fox News, which has been the king of cable news ratings for nearly two decades, has recently faced stepped-up competition from pro-Trump networks Newsmax and One America News Network, which won over viewers loyal to

President Trump by playing up

his unsubstantiated claims of widespread fraud in the election.

Newsmax has seen its ratings in the key news demographic surge around the election, according to Nielsen. The network has averaged about 372,000 prime-time viewers since Election Day through Dec. 8, a more than 500% increase compared with its prime-time audience during the week before the election.

Still, Newsmax is far smaller

than Fox News, which averaged about 3.1 million primetime viewers during that period.

Fox News and Wall Street Journal parent News Corp share common ownership.

MSNBC is in third place in several key ratings categories since the election. The network has had some bright spots, drawing more total viewers than its competitors on weekdays since the election was called on Nov. 7, according $\stackrel{\frown}{\cong}$ to a spokeswoman. MSNBC said "The Rachel Maddow Show" has drawn more viewers in its time slot than competing shows in December. NBCUniversal News Group Chairman Cesar Conde recently tapped network executive Rashida Jones to be the cable news channel's next president.

CNN's ratings victories could be temporary. The network occasionally gains ground on its competitors in the short-run as casual viewers tune into CNN during intense periods of breaking news. CNN eclipsed Fox News among prime-time viewers in the key demographic in August 2019, but Fox News won the most prime-time viewers that month and ultimately won the quarter.

dominant industry, the region has strained to keep up, leading to growing discomfort. Between 2005 and 2019, employment in the five counties that make up the bulk of the Bay Area grew by 29%, adding 674.000 jobs, according to California's Employment Development Department. Yet construction permits were issued for just 211,000 units, according to the U.S. Census Bureau. Planners sav the ratio of new jobs to new housing units should be around 1.5 to one. The result has been soaring prices for housing and cost of living, which in turn fuel ever higher costs for paying employees.

"It became clear there were much better places to live," he said.

Despite the moves, Silicon Valley's place in global technology is still unrivaled. Five of the eight most valuable U.S. companies are based in the region. Major employers like Facebook Inc. and Google parent **Alphabet** Inc. have added office space in the region even during the pandemic. And the Bay Area has continued to churn out major new companies that captivate investors. The week of Oracle's announcement, delivery-company Door-Dash Inc. and home-sharing company Airbnb Inc. went public with soaring valuations.

Venture-capital funding this year has continued to go to Bay Area startups at disproportionate levels, even though the pandemic has made in-person meetings with investors there uncommon.

Once offices reopen, even if a large chunk of workers stay remote, many investors and executives say the value of proximity is so high that they expect the region's prominence to continue.

Patrick Eggen, co-founder of the venture-capital firm Counterpart Ventures, says his firm's location in San Francisco's South Park neighborhood has been critical to its success—and will be after the pandemic.

"My business is all relationship-oriented. In-person meetings are the artery of that existence," he said. "It gives me an edge being here."

Even if the Bay Area's dominance is reduced, "you still have the highest concentration of talent, companies and capital," he said. "The cluster is still here."

That clustering is considered a major reason for Silicon Valley's dominance. Large companies grow off each other, with engineers leaving established companies to create

Salesforce.com Inc., whose Salesforce Tower headquarters dominates San Francisco's skyline, has in recent years put the same name on buildings in Indianapolis, New York and Chicago. Financial-tech company Stripe Inc., which had been hiring engineers to work remotely before the pandemic, this year offered employees \$20,000 to move elsewhereand accept a reduced salary based on the location.

"There's a finite space in the Valley, and there's a need to scale and continue to expand." said Aaron Levie, CEO of Box Inc., a Redwood City, Calif.based cloud company.

Six years ago, Mr. Levie opened up a small office in Austin. Now, it is Box's largest outside of Silicon Valley, with several hundred employees. Given the growing size of the tech sector, he said, it will need "to attract talent wherever it can."
